FOR NINETEEN FIFTY-EIGHT

The most outstanding honor bestowed upon a student at Northwestern is to be elected Mr. or Miss N. S. C. The prerequisities to this honor are as follows: leadership, service and friendliness. No two more deserving people could have been chosen for this honor than BEVERLY ANTHONY and SHIRRAL JENNINGS.

ri

A home must be built on a strong foundation, or it will not stand. Northwestern State College's foundation was provided for by the Bullard Mansion, built in the middle 1800's. As proof of its strong foundation we have today a symbol of its strength—the three columns, which are Northwestern's true foundation. These columns have become a symbol to N.S.C. and its thousands of alumni.

Every year new students come and old ones go. The striving campus receives and passes on to the world new and exciting ideas. However, N.S.C. can only take credit for a small part of these ideas.

Since most of us are native Louisianans, the basic ideas we have today were founded in the Old South. Our heritage from those early days is now best recalled in the Bullard Mansion and other famous ante bellum homes of our Creole state.

There can still be found in Louisiana the basic examples of Southern customs and traditions. Enshrined in these homes are memories of gala activities, southern cookery, political discussions, and various and sundry activities. If it were possible for one of the old homes to speak, what glorious tales it could tell! Maybe it would tell of gala balls which were held in its great ballroom. It could tell of beautiful ladies in dresses of rustling taffeta, delicate laces, and stiff organdy, dancing with Southern gallants in frock tailed coats and curling mustaches. Perhaps it could tell of the sadness in seeing a young man march resolutely off to war, looking very proud and handsome in a new gray uniform trimmed with shiny buttons, gold sash, and a gleaming saber at his side, perhaps never to return.

From the moss covered bayou country of South Louisiana to the pine-covered hills of North Louisiana, we see our heritage. The students who come to Northwestern State College are a part of this heritage. Here at N.S.C. is found a Potpourri of the different characteristics which make Louisiana what it is.

This Potpourri of 1938 presents to you the foundations of some of Louisiana's earliest ideas and contrasts them with the ideas of today. However, basically they are still the same.

WE DEDICATE TO

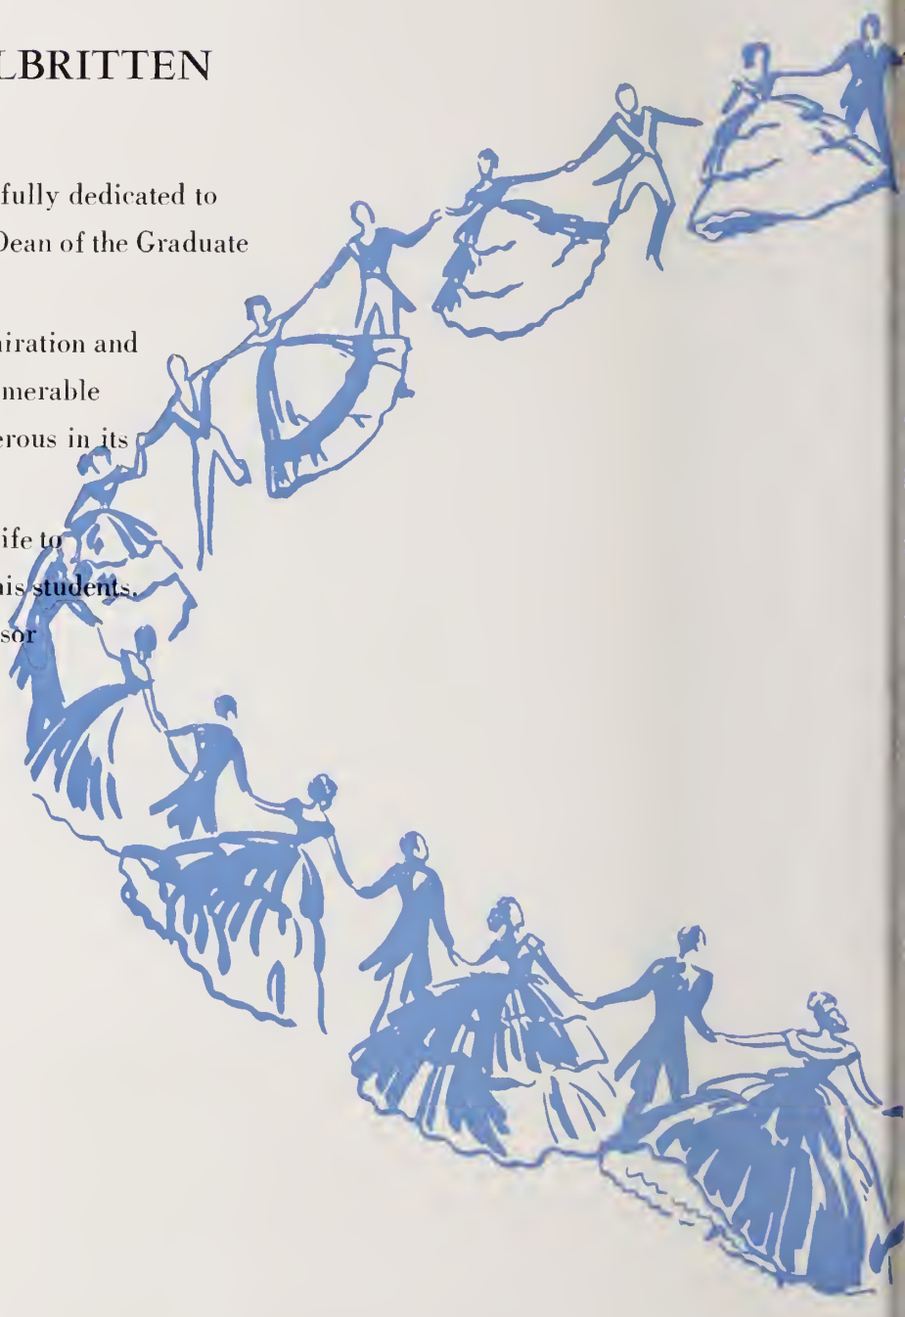

DR. LEO T. ALLBRITTEN

This 1958 edition of the POTPOURRI is respectfully dedicated to Dr. Leo T. Allbritten, Northwestern's beloved Dean of the Graduate School.

Our tribute is modest in comparison to the admiration and honors already bestowed upon him by his ennumerable friends from near and far; however, it is generous in its accompanying sincerity and good wishes.

He is a modest man who has devoted his entire life to teaching; a man extremely respected by all of his students.

To an outstanding leader, an admirable professor and a true Southern gentleman of whom Northwestern is proud, we dedicate this book.

EVERY DOG HAS HIS DAY

HEY, YOU GOT MY CHAIR

ALL ROADS LEAD TO FIELD HOUSE

WELL, BLESS MY SOUL—

HEY, WHO'S HE??

POTATOES AGAIN??

TWO OUT–BOTTOM OF THE NINTH

LET'S HAVE A HOLIDAY—

SIX BABY DEMONS

THE BEGINNING OR THE END?

SOUNDS GOOD, BUT STILL . . .

IT'S LIGHT-UP TIME.

CHECK THE INTERESTED SPECTATORS!

UH, OH, TROUBLE AND MORE TROUBLE!

MY FIRST HAIRCUT, AND IT'S FREE TOO.

JUST WHAT DID HE MEAN BY THAT CRACK?

standing in the foreground of this beautiful Ante Bellum home, which was once the home of one of Louisiana's prominent political leaders is MISS HELEN MANITZAS.

PRESIDENT KYSER

The POTPOURRI of nineteen hundred fifty eight makes its appearance at a time when our American life is caught up in the great surges of events that know no natural boundaries. Never before has higher education been so much a part of the warp and woof of our society. Our very existence hangs in the balance of what may be accomplished in the colleges and universities of our land.

Never before have the thoughts of men been so important. We are concerned with so much more than HOW to do things. We must perpetually reflect on WHY we do them. The entire body of our tryly world society must be so impregnated with wisdom that no small contingent of ruth-less individuals will be able to push us into catastrophe. It is of the essence of our epoch that either too much action or none at all can impale us on our own fearful weapons of head and hand.

There is a challenge to drink both deeply and widely at the well of education. This challenge is not to be limited to one stone in the well. The world of men and women is not to be rescued by mere appeal to science, regardless of its tremendous importance, nor to any other single channel of investigation of the mysteries of the universe. Our path is a difficult one, but what person of quality was ever subdued by adversity?

Within each individual of the college and other realms, we must strive to produce something of the wisdom that results from meaningful study. Whenever we achieve this goal, we will have accomplished the greatest essential to measured living. May Northwestern State College through its fine community of students and faculty make a singular contribution to better days ahead.

THE STUDENT COUNCIL

Under the guidance of Dean Fulton, together with the leadership of President Bill Stewart and Vice-President Shirral Jennings, the Student Council maintained its honor and prestige with various functions.

The Student Council has worked through the year to plan pep rallies, dances, elections, and numerous other programs which supplied opportunities for the students to express themselves and to acquaint themselves with the college itself.

This year the Student Council has worked with an endeavoring effort to uphold Northwestern's standards to build for a better tomorrow.

TOWN ASSOCIATED WOMEN STUDENTS

The Town Associated Women Students is made up of all women students who live off-campus.

This organizations works closely with the A.W.S., with the TAWS' Officers serving on the A.W.S. Council.

The main purpose of TAWS is to keep the off-campus women students informed concerning activities on campus and to promote a better feeling of unity among all women students at NSC.

The various projects the TAWS have participated in are: (1) Mom and Dad Day; (2) Homecoming; (3) Masquerade Dance; (4) Christmas At Home; (5) A.W.S.-TAWS Banquet, plus various other floats and activities.

The Associated Women Students is an organization of all women students registered at the college, and is a member of the Intercollegiate Association of Women Students. The officers elected for the 1957-1958 session were delegate of the National A.W.S. Convention which was held in East Lansing, Michigan. The group gained much from this wonderful experience.

The purpose of the A.W.S. is to promote, in cooperation with the Dean of Women, the intellectual, social, and spiritual welfare of the women students; to develop in the students a deep sense of self-responsibility; to instill a spirit of cooperation and friendship; and to uphold high social and academic standards among women students of the college.

ASSOCIATED WOMEN STUDENTS

The A.W.S. sponsors many activities which occupy the leisure hours of N.S.C. women students in much planning and work. These activities are enjoyed by both men and women students as well as faculty. The year is begun by serving punch to the parents and students the first day of school . . . the Big Sister's Coke Party is always enjoyed by both Freshmen and upperclass women . . . everybody had a "howdy good time" at the "Howdy Dance" . . . the A.W.S. Assembly proved very informative and the Dean of Women's Reception which followed ended a perfect evening . . . the Halloween Masquerade Dance was really lots of fun and we saw some strange faces . . . we were there to back the Demons with a Homecoming Float and we welcomed old alumni back . . . "Christmas at Home" was very pretty and Residence Halls and the Town A.W.S. did a splendid presentation . . . the Christmas Carol Sing was lots of fun . . . the year was highlighted by the election of officers who were presented to the women students at the A.W.S. Banquet and at this time many awards were presented to those students who have contributed to the college.

THE PURPLE JACKETS

The Purple Jacket Club, which was founded by President V. L. Roy in 1927, was the first honor club to be organized on the campus. Adorned in purple and white colors depicting loyalty, the Purple Jackets have portrayed service as they have served willingly and tirelessly as the official hostesses of the college, making of themselves an ageless tradition.

The Purple Jacket Club may not have more than twenty-one active members. Each spring, at the Purple Jacket calling, women students who have demonstrated good scholarship, good character, and a desire to cooperate with all units of the college in unselfish service, are honored as the member Purple Jackets stand back and present their jacket to each new member. The list of new members is kept secret until the Purple Jacket calling, when a group of surprised and very happy girls are called.

Other highlights of the club are the Purple Jacket Review and the Spring Trip.

THE 1958 POTPOURRI

JOAN FLORES

It must be hilarious!

Man's we're really on the ball!

You might say that 1958 was an uneventful year for the POTPOURRI staff; you might say that it was just the usual humdrum of a duty-filling year. Some people might say the POTPOURRI is an easy way to get one's name and picture in the book. Ha! Ha! Actually 1958 was a trying and difficult year to say the least. The end result was finally achieved, and here it is before your eyes. It took work—work by day and work by night. Like any other organization, the staff was composed of those who do and those who don't, and likewise those who did and those who didn't. How good it was to see those who did! Actually, the usual dilemma of "putting out" a year book is bad enough; add to that deadlines, cancellations, retakes, decorating for the "Ball" voting on a court, and typing on faulty typewriters, and you've really had a year!! However, when you also add "Doc" Marx, a new office, the helping hand of various and sundry faculty members, the date nights taken by the girls, and the after-hours and beyond-the-call-of-duty work of the boys, the impossible can be reached. It was the attempted endeavor of the Staff to portray the life of the students at Northwestern: it was to this end we dedicated our work. And it was to this end we publish this 1958 edition of the POTPOURRI.

It couldn't be the budget!

The Big Four

Standing, left to right: Josette Null, Ray Sawyer, LuDell Jeffers, Artie Wimberly, Bill Spillers, Walter Eagles, Pat Proskowetz, Jerry Pierce, Linda Carroway, Freddie Bosarge. Seated: Marilyn Robertson.

For the first year in the 43-year history of the paper, the 1957-1958 *Current Sauce* was an all-student publication. The reporting, editing, printing and delivery of the paper to the students were all in the hands of Northwestern students.

Printing of the paper on Northwestern's own presses actually began on a trial basis late in the Spring of 1957 under the able leadership of previous *Current Sauce* Editor Jerry Byrd. Graphic Arts students assisted in the "shop" work. This move to make the *Sauce* an all-Northwestern paper was made permanent at the beginning of the 1957 summer session and continued throughout the year.

Much of the success of this new program must be credited to the understanding guidance and cooperation of faculty members R. H. Humphrey, *Sauce* advisor, and Graphic Arts division instructors Roy Clark and Charles H. Wommack.

The *Current Sauce* also began the 1957-1958 year in its new "home" —the offices having been moved at the beginning of the Fall from the Fine Arts building to Bullard Hall so that it would be nearer the Industrial Arts building where the printing was done.

It has been the policy of the *Current Sauce* to be the weekly "Mirror"

of activities and happenings at Northwestern. The staff, while facing the usual problems of all publications—the weekly deadline with "too little" or "too much" news—has endeavored to keep this policy uppermost at all times. The cooperation of numerous other students and of faculty members has helped the staff in its attempt to reflect the news of people and activities "on the Hill."

Regular weekly eight-page editions were issued each Friday except during the Thanksgiving and Christmas holidays and exam week. There was one special issue—the "Wreck Tech" edition which came out on Thursday and presented the staff's efforts in supporting the Demons.

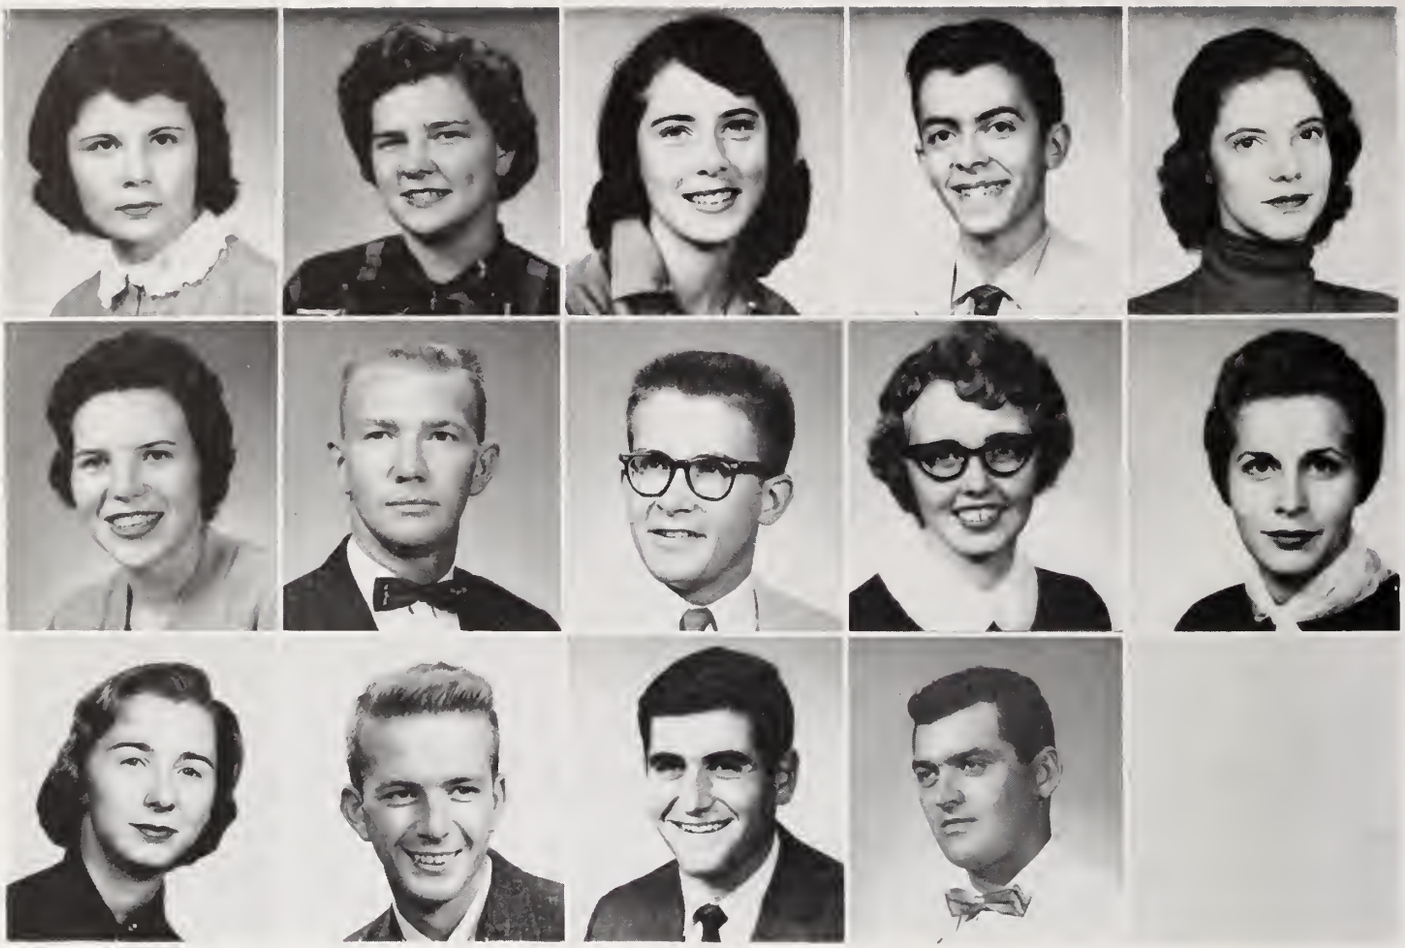

In the Spring staff members were honored at the annual *Current Sauce* banquet with trophies being presented to the outstanding staff members. The advertising end was well handled by hardworking Business Manager Ray Sawyer and Robert H. Humphrey gave valuable guidance and assistance as faculty adviser. The 1957-58 *Sauce* was edited by Marilyn Robertson.

What's between you two?

Decision at hand!

The 1957-58 Debate Squad attended 6 tournaments during the year. The scheduled tournaments were: Louisiana Tech, Tulane University, Mississippi Southern, Millsaps College, Southwestern Louisiana, and the tournament here at N. S. C. In addition to these competitions the squad was host to the 21st Annual High School Tournament, and the 23rd Annual Louisiana Speech Tournament for college students.

This is the Debate Club's second year at N.S.C.. It was an enjoyable and worthwhile season for the squad. The club placed their major interest this year on learning the technique of debate, since most of the team members were newcomers to debate competition. Under the capable direction of Donald L. Graham, the squad soon soared to an unimaginable height.

Where'd Barbara get those shoes?

Dr. Edna West, director of the College Theatre, opened the season of drama in the fall with a delightful comedy, "Time Out For Ginger." Playing the leading roles were Jackie Morris, Sarah Whelan, and Bill Rambin. The play was very new in the line of productions usually put on by the Theatre. It was enjoyed by everyone and brought much praise.

The other major production of the year was the fantasy, "Skin of Our Teech." The leading roles were played by Joan Davis, Lera Hennessey, and Wayne Black. This production was definitely something new for the group since it required moving the audience from one theatre to another.

Throughout the year the group worked diligently and shared many fun-filled moment, moments which made the 1957-58 year a great success.

THE ARTIST SERIES

The Artist Series, under the sponsorship of the college as well as through the cooperation of the Natchitoches Concert Association, gives the students an opportunity to gain knowledge and develop appreciation with the realm of fine arts. Such outstanding attractions at the "Revelers" male quartet and a concert by the Pamplona Choir from Spain were featured in the 1957-58 season. Other presentations were the Chicago Opera Ballet, Van Cliburn "a phenomenon of the piano," and the Barter Theatre of Virginia. Climaxing the season was the appearance of Daniel Llord's puppets.

SPEECH AND HEARING CLINIC

The Speech Department of N.S.C. provides activities valuable to both speech majors and other students. The Speech and Hearing Clinic offers students the opportunity not only to observe, but also to participate in the correction of speech and hearing defects. The purpose of this clinic is to help those who need correction in speech and hearing and also to train students who wish to major in Speech Therapy. N.S.C. students, children from the training school and nursery school children are treated in the clinic. The Speech and Hearing Clinic is under the supervision of Miss Irma Stockwell. This department has been growing and is growing still in leaps and bounds!

THE ORCHESTRA

The Natchitoches-Northwestern Concert Orchestra is truly a community organization in that its members include elementary, high school, and college students, as well as college faculty and townspeople. The group presents four concerts during the academic year—two public concerts and two Young People's Concerts for the school children of Natchitoches and nearby towns—and also provides music for the spring semester commencement exercises.

THE COLLEGE CHORUS

DONALD GLATTLY
Director

For many years there has been a growing feeling that a so-called liberal education is distinctly lacking when it fails to include some experience in the arts. One of the responsibilities of a department of music is to bring music significantly into the lives of as many students as possible. The College Chorus is organized to afford the opportunity for many who are not specializing in music to pursue their musical interests. It is the desire of the Choral direction to make this course both interesting to the amateur and useful to the scholar.

That the College Chorus has been remarkably successful is attested by the wide endorsement of its activities on the campus. Faculty members have cited its worthy content, and students, rising to the challenge that it presents, report great enthusiasm for their increased understanding and appreciation of music.

THE COLLEGE SINGERS

The College Singers form a group of the more talented singers within the College Chorus. A program of varied and personally repaging musical activities attempts to provide the best setting possible for the singer's development of vital musicianship.

The group of singers has established an enviable reputation and has traveled extensively throughout Louisiana.

The various concert series presented on the campus bring music to the student body and the community, and certainly make a valuable contribution to the cultural life of Northwestern State College.

THE BAND

The N.S.C. band of 1957-58 began its marching season by introducing precision drill into its half-time football routines. The band participated in pep rallies, marched in various parades, and provided stadium entertainment at football games.

After the football season ended, the band marched in the Natchitoches Christmas Lighting of the Lights Parade and finished the semester by reading a large amount of concert literature.

During the spring semester the concert band presented a concert in the Fine Arts Auditorium and toured the state playing to several high schools. The final six weeks of the second semester was devoted to the praparation and playing of a series of weekly "pop" concerts which were presented to the Fine Arts Court.

The literature played by the band ranged from marches and compositions of light type to the most challenging music written for the band idiom. The band's purpose is to represent the college at various functions and to offer students an opportunity to participate in a musical organization.

DEMONAIRES

The Demonaires, Northwestern State College Dance Band, functions for the college and is a school-supported dance band. In this year's band there were thirteen members, composed of four saxes, six brass, and three rhythm instruments. The departments represented ranged from music to pre-engineering.

The band played for weekly Wednesday night dances, after-game dances, All-College dances, class proms, the Homecoming Dance, and various other events. Mostly stock arrangements of standard ballads, up-tunes, and Latin American music along with some of the latest popular hits were used.

Members of the band were Robert Eddy, lead alto sax; Janice Trilsch, second tenor sax; Jerry Cross, third alto sax; Danny Farris, fourth tenor sax; Paul Jemison, first trombone; Elmo Gentry, second trombone; Travis Stevens, third trombone; L. C. Cathey, first trumpet; Buddy Carroll, ride trumpet; Jerry Conerly, third trumpet; Montrecia Harris, piano; David Jackson, bass; and Tommy Latham, drums.

The band was outfitted in white doeskin dance-band coats by the Student Council. This added much to the group's appearance. Special thanks is given to Dean Frances Ellen Porter, Dean of Women, and to Professor Dwight G. Davis, Director of the N.S.C. Band for their untiring efforts in support of the dance band.

INTRAFRATERNITY COUNCIL

The Interfraternity Council is the governing body of Men's Greek organizations on campus, composed of the presidents and two representatives from each organization.

The 1958 Council was headed by Sigma Tau's Jim Plumb, with Pi Kap's John Wheat as Vice-President, and Teke's Truman Maynard as Secretary.

The council works in strengthening the bonds of brotherhood among Greeks and furthering the fraternalistic standards among all men on campus.

PI KAPPA PHI

BETA OMICRON CHAPTER

After two years of national membership in Pi Kappa Phi, Beta Omicron chapter has enjoyed the work and play which has been done together as is expected in a fraternity. This is proven by the National rating where this chapter was listed in the number eight in the nation—also by one of our Sweethearts of last year being selected as runner-up in the National Rose Contest.

The Rose Ball held this year was an overwhelming success with its climax being the presentation of the Chapter Sweetheart; this year going to Miss Sylvia George.

Of course the Chapter is proud of its functions and its sweethearts, but most of all it is prond of its men.

President Robert "Wimpy" Kelley has had his talents appreciated by other organizations; being elected President of the Student Federation of Louisiana Colleges and Universities and also this highest office in Robert E. Sylvest Company, Association of the United States Army . . . John Barkate, Vice-President of Pi Epsilon Kappa. Physical Education Fraternity, and Junior Class Representative . . . Mickey Murphy and Don Cook, Varsity Gymnastic Team . . . Larry Bell, Manager of the Demonettes . . . John Echols, Vice-President of the Math Club . . . Buddy Carroll, Demonaires.

The spirit of brotherhood prevailing in the Chapter and the individual contributions made this year a success; and these traits are now being passed on to the pledges to insnre a continued success in the future.

TAU KAPPA EPSILON

EPSILON UPSILON CHAPTER

Installed as an active chapter of Tau Kappa Epsilon, one of the foremost national fraternities of the nation, on May 5, 1957, Epsilon Upsilon has enjoyed a most successful and gratifying year. The chapter has succeeded in introducing to N.S.C. the principles of fraternalism set forth by Tau Kappa Epsilon.

Proud of the men who compose its ranks, the Chapter lists on its scroll such names as: first Prytanis of the Chapter, Truman Maynard . . . Epiprytanis, James Snyder, who also serves as a Captain in ROTC . . . Crysophylos, Ronald Harlan, Chemistry Club member . . . Grammateus, John Rabb, Associate Editor of the POTPOURRI . . . Pylortes, Bill Wood, Pi Omega Pi member and Assistant Staff Officer in the ROTC . . . Hypophetes, Jimmy Hammons, President of the Junior Class, Math Club member, and Treasurer of the Political Science Society . . . Histor, Charles Brown, Associate Business Manager and Military Editor of the POTPOURRI and Vice-President of the Sophomore Class . . . Hegemon.

Frank Hudson, Drill Team member . . . James Walker, Beta Beta Beta member . . . past Hegeman, Bill Morgan . . . Johnny Creech, Freshman Cheerleader.

Due special recognition is our most gracious Sweetheart, Sandra Harlan, Dr. Alan Crosby, our Faculty Adviser and those members who donned the cap and gown in 1957-58—Jackie Scroggins, Bill Wood, James Snyder, and Ronald Harlan.

These men, along with the other members of the Chapter, have been responsible for the success of the Chapter's main social functions—Rush Week, the TKE Room dance, and the Spring Round-up.

Grateful for the contributions of its members which have led to success in introducing the principles of Tau Kappa Epsilon to N.S.C., and success in its social functions, Epsilon Upsilon chapter of TKE expresses hope for the further advancement of fraternalism at Northwestern in the years to come.

On November 13 a group of about forty nervous and excited girls met in the Little Theater for the 1957-58 N.S.C. Beauty Election. Seated in the theater judging the girls on facial beauty alone were the judges from Shreveport who were chosen by the Editor and staff of the POTPOURRI. The judges, Mr. Robert F. Menasco, of the well-known Menasco's Studio, Mrs. Robert F. Menasco, wife of the photographer, and Mrs. Rose Margaret Horton, well-known Society Editor of the *Shreveport Journal*, narrowed the group down to fifteen girls from which the top eight were chosen. A much appreciated break in the long judging came when refreshments were served in the Green Room. The judging ended with suspense lasting through the year since the beauties were kept a secret until the POTPOURRI came out.

CAMPUS QUEENS

N.S.C. boasts of many students who are "in the news" throughout the state as well as on our campus. This year we list among these the Forest Festival Queen, The Domino Queen, and the Dogwood Queen, as well as our own State Fair and Homecoming Queens. We feel that these girls are a tribute to Louisiana and to Northwestern.

POTPOURRI BALL

This year the POTPOURRI court was selected on the basis of scholarship, talent, personality, participation in student government, appropriateness in dress, and congeniality. The girl with the best combination of these was chosen as Miss Potpourri.

As favors, each member of the court received a bracelet with an inscription and the initials of the girl on it. The election of Miss Potpourri was kept secret until the time of the presentation at the Ball.

Among a setting of columns, and moss-hung trees, the members of the court were presented. At this time, President Kyser presented MARY DUNCKELMAN, Miss Potpourri, with two dozen yellow roses.

Today the young men of America are being called upon to defend their way of life against the aggressive forces of Communism. Your responsiveness and preparation for this call will determine, to a great extent, the position of America in the world of tomorrow.

The nation needs well-trained, capable young men. The present methods of warfare, which stress quality and mobility, demand longer periods of training for active service in the Armed Forces. The Reserve Officers Training Corps offers you an excellent oppor-

FOOTBALL

New head coach of football and Athletic Director Jack Clayton brought to Northwestern the attitude that nothing but top spot in the Gulf Sates Conference would suit him at the end of the 1957 football season. But Coach Clayton, whether he knew it or not, wasn't the only one who had bright ideas for the N.S.C. gridders. The assistant coaches were ready for a championship team, the students and faculty were ready, all Northwestern fans were ready—but best of all the Demons were ready!

Under the watchful eyes of coaches Walter Ledet, Alvin Brown, Jack Rowan, and Clayton, the team shaped up tough and fast. With eighteen returning lettermen from the club which finished 6-2-2 last year, Coach Clayton had a good foundation upon which to build.

Returning lettermen were ends Billy Jack Booth, Jim Bruning, and Kemp Gordon; tackles Everett Doerge, Lexie Gregg, Bert Heckel, and all-G.S.C. choice Charlie Johnson; guards Bryant Lewis, and Dean Smith; center Douglas Burt;

G. S. C. TRI-Champions

fullback Charlie Tolar; halfbacks Judson Hale. Petie Moore, Charlie Hennigan, and Bobby Stanley; and quarterbacks J. W. Beck and Dale Hoffpauir.

Returning squadmen Don Deen, Jerry Lott, Don Bowden, halfbacks; Jerry Fults, Robert Powell and Bobby Tackett, guards; center Claude Roberts; newcomers Charles Desadier, fullback; guard Ronnie Kincer, tackle Terry Misenheimer, and end Paul Robinson; along with transfers Billy Sheehy, end; Frank Pernici, quarterback; centers Fred Wyble and Rade Radasinovich; and halfback Jimmy Veale, combined with the lettermen to give the Demons a potent crew.

Coach Clayton's hopes for an unbeaten season were built high when the Demons trounced Stephen F. Austin's Lumberjacks 20-7 in Shreveport in the opening game. Charlie Tolar, Charlie Hennigan and Judson Hale carried the mail behind a hard-charging line led by Bert Heckel; each of the three scored short-distance touchdowns, and Jim Brun-

ing kicked two conversions. The 'Jacks made the scoring column when center Jere Nichols intercepted a pass and ran 20 yards for a TD.

A 20-10 defeat by Lamar Tech's Cardinals from Beaumont, Texas, in the next game, played at Natchitoches, spoiled Coach Clayton's hopes for an unbeaten season. The Demons collected three points in the first quarter on a five yard field goal by Jim Bruning and scored their only touchdown in the third quarter when Kemp Gordon recovered a punt blocked by Charlie Johnson on Lamar's 30 and ran it over. Bruning kicked the conversion to bring the total to 10. Quarterback George Parks scored two and Charles Starcke one touchdown for the Cardinals.

In the opening game of the Gulf States Conference battle for both teams, Northwestern beat McNeese 23-20 in a thriller. If the Lamar Tech game let some of the folks down, this game, also played in Natchitoches, lifted them back up. Tolar streaked 62 yards in the first period for the first score of the game: Bruning missed the conversion kick, score 6-0. Robert Morris, the Cowboy's quarterback, scored and the downstaters went ahead 7-6 on the completed conversion. Rogers Hampton scored to make it 13-6, and Cooper booted another conversion to make it 14-6 for the McNeese Cowboys at the half. After the intermission, Hennigan scored and Bruning kicked PAT to bring the score to 14-13. Jimmy Veale sparked a drive which carried 72 yards with Tolar scoring through the middle from the two. Bruning made it 20-14 N.S.C. McNeese scored again, failed to make point after touchdown attempt and the score was 20-20. Then with 32 seconds left, the Demons went ahead to win 23-20 on a sensational field goal by Jim Bruning.

The following weekend down at Pineville, the Demons

"Hale, Hale, the gang's all here!"

The Tank rolls past another one

erupted over Louisiana College 25-7. Playing without the services of Tolar who was out with an injured knee, the Demons came into their own in the second half, after a 7-7 first. Chuck Desadier, Don Deen and Billy Jack Booth scored the TD's with J. W. Beck, Charlie Hennigan, and Dale Hoffpauir, who completed five out of five passes for 110 yards, helping to set them up. The only Wildcat score came in the first half.

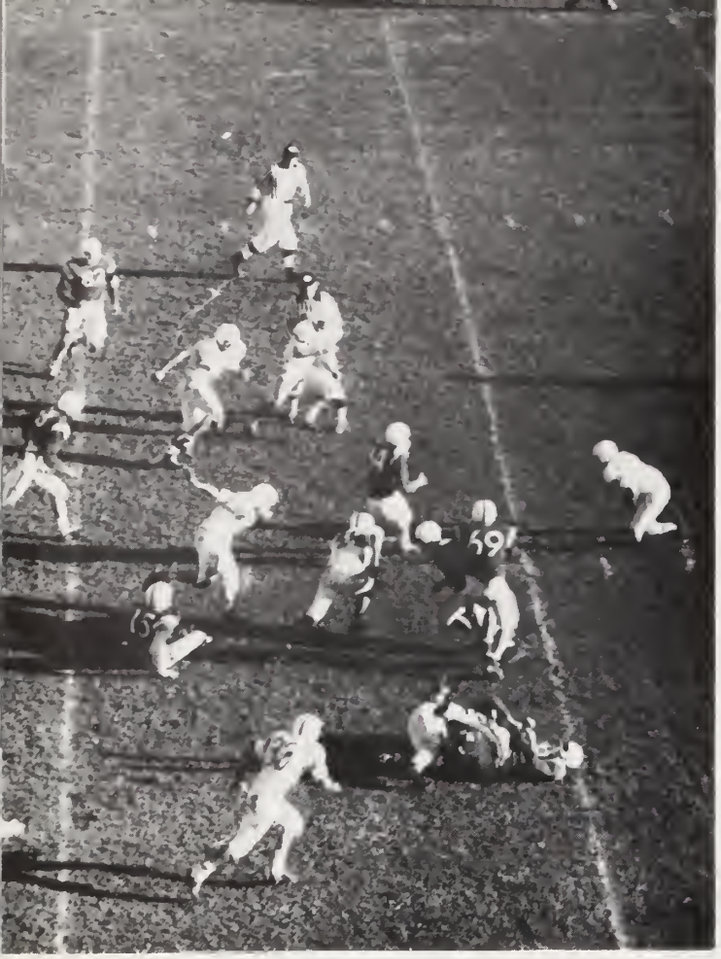

In the fiftieth State Fair Classic between the Demons and the Louisiana Tech Bulldogs, played in Shreveport, Northwestern couldn't get rolling and ended up behind the Ruston boys 20-13. Wayne Bourgeois set up the first score of the game, for the Bulldogs, just as the half ended, with Slack carrying it over. On the first play from scrimmage in the second half, Charlie "Tank" Tolar ran 65 yards for a touchdown. Bruning converted and the score was 7-7. Hoffpauir

hit Billy Jack Booth with a touchdown pass and the score was 13-7 after Bruning missed the PAT. The Bulldogs came back to tie 13-13, and then as time ran out scored again on a fourth down pass, converted and went ahead to win 20-13.

Feeling the sting of being knocked from the first place perch in the G.S.C. by their arch-rivals Tech, the Demons just couldn't hold back as they rolled over Delta State College 26-0. The Mississippi Statesmen couldn't stop the Demons as Charlie Tolar, made two TDs and Carlie Hennigan and Dale Hoffpauir each added another, with Bruning kicking two conversions. The Statesmen invaded Demon territory only twice during the game.

Northeast State Indians did their very best to upset the Demons at Homecoming here in Demon stadium, but their best wasn't enough. The home team trimmed them 26-20. Don Deen, Judson Hale, and Charles Tolar turned in scores for the Demons, the "Tank" counting twice. Johnson made two PAT attempts to bring the Demon total to 26. Scoreless

in the first half. the Indians sent Benny Franklin, Ev Reynolds, Bob McGough and Don Reynolds across the last stripe in the second. and with Keith Amos' two conversions tallied 20. Judson Hale, returning to action after being out for a month with an injured shoulder, spearheaded a drive in which he picked up 32 yards in 16 carries and scored the first Demon touchdown of the game.

At Lafayette, Charlie Hennigan scored two touchdowns and Charlie Tolar chalked up another as the Demons spoiled Southwestern's Homecoming 19-0. Defensive standouts in the Bulldog game were Bert Heclel, Charlie Johnson, and Fred Wyble. Bullet-like passer Dale Hoffpauir and stickey-fingered Billy Jack Booth, while not scoring, were big essets in setting up the Demon TDs.

Good game, Frank!

After a week's lay-off, the last game of the season—Southeastern here in Natchitoches. Charlie "Tank" Tolar carried the leather 14 times for 124 yards, and a 25 yard touchdown run in the first period. Freshman halfback Don Bowden added sparkle to the game, gaining 68 yards in 7 tries. Dale Hoffpauir smashed over from the one-yard line to score the second touchdown, Bruning converted and the Demons won 13-7. The Lion touchdown came in the second quarter, Ralph Zeringue going over from the three yard line.

The Demons finished the season with a 7-2-0 record to tie with McNeese and Louisiana Tech for the G.S.C. championship. In addition to winning the tri-championship, the Demons placed four men on the first-string All-Gulf States Conference team, and four on the second team. In the Associated Press poll of conference coaches, aces Charlie Tolar at fullback, Charlie Hennigan at halfback, end Billy Jack Booth, and center Fred Wyble were chosen for

the first team. Tackles Charlie Johnson and Bert Heckel, guard Bobby Tackett, and end Billy Sheehy were named for the second squad.

The Louisiana Sports Writers Association named nine members of the team to their all-G.S.C., and voted Tolar "Player of the Year." The "Tank" was given Honorable mention on the AP Little All-American team, and special mention on Williamson's Mid-bracket All- American squad. His 818 yards gained rushing in 99 carries is the best posted by a Demon player in a single season and placed him 20th in the nation in the N.C.A.B. In the Conference, Northwestern had the top scorer, Tolar with 60 points; the best passer, Hoffpauir with 38 completions out of 60 tries for 573 yards in nine games with a percentage of .663; and the league's leading pass receivers, end Billy Jack Booth who grabbed 12 passes for 318 yards and two touchdowns, and halfback Charlie Hennigan who held onto 12 for 143 yards.

To round out the honors, Billy Jack Booth was given Honorable mention Little All-American and special mention Mid-Bracket All-American squad. The Demons tied for fifth place in the nation, according to the NAIA, in pass defense, allowing their opponents only 13 yards per game.

Coach Huey Cranford

. . . WE WERE CO-CHAMPIONS

Northwestern State College witnessed this year the greatest example of "team spirit, hustle, and desire to win" that has been exhibited by a Demon basketball team in many seasons. Picked to finish in the second division, the Demons won the Co-Championship of the Gulf States Conference.

The story goes back to the beginning of the season when Huey Cranford, assistant coach, replaced Head Coach Charles "Red" Thomas who was on leave of absence. Coach Cranford had only seven returning lettermen and one returning squadman: Mickey Crnkovic, team captain and only senior, Elvin McCann, Jimmie Leach, Pete Walpole, Jimmy Adkins, Bobby Wicker, Larry Fotenot, and Bill Stewart. Even with the addition of six freshmen newcomers, among them Belmont aces Phillip Haley and Larry Skinner, pros-

pects were not very bright. To many it looked like it was going to be a long and dismal season. Coach Cranford was asked about his plans for the approaching season and he replied that they would do the best they could—that they were playing because "they loved to play."

The host Louisiana College Wildcats dumped the Demons 64-53 in the first game of the season. Freshman Phillip Haley, a starter his first college game, played like a veteran on both offense and defense.

The Demons then crossed over the border into Texas where the East Texas Lions defeated them 53-51 and a rugged Stephen F. Austin crew dropped them 59-48.

Back in the bayon country the Demons caught on fire and

won five in a row in Demon Gym, defeating Stephen F. Austin 42-40, Southern State College 57-50, Southeastern Oklahoma 49-45 and 67-60, and East Texas State College 57-54.

Up in Magnolia, Arkansas, the Demons knocked over the Southern State Muleriders 60-51. Then they traveled to Hattiesburg, Mississippi, and bopped the Mississippi Southern quintet 84-60.

Playing in the Louisiana Invitational Tournament at Shreveport, they defeated West Texas State 69-66, and Centenary 71-68. The Demons were runners-up as they lost to Louisiana Tech 41-40 in the championship game. Northwestern fans saw highly publicized Jackie Moreland held to eleven points by Bobby Wicker. Mickey Crnkovic was awarded "the most valuable player" trophy and was joined by Jimmie Leach on the All-Tournament team.

Seeking revenge the Demons dumped the Louisiana College Wildcats 75-66 in Demon gym. Then followed a 71-70 loss to Centenary.

The Demons were ready for the one that really counted—

Fontenot adds two points against SLC

their first G.S.C. game. Northeast found the host Demons very unhospitable as N.S.C. shellacked them 69-54. Leach made 27 points for high point honors as usual.

Next on the Demon's list was arch-rival Louisiana Tech. The Demons gave the Bulldogs the axe 66-60, as Wicker held Jackie Moreland to ten points.

Defending conference champions McNeese couldn't stop the Demons in Lake Charles, the Cowboys bowing to the Natchitoches cagers 56-47.

Leach dropped in seven quick points to break a 37-37 tie with Mississippi Southern in Demon Gym as the locals went on to win 47-42.

Another home game and the N.S.C. cagers brushed aside Southeastern 81-66 with Jimmy Leach getting 25 points.

A trip to Shreveport and the Gents dropped the Demons by one point, as the Centenary cagers got hot in the last few minutes of the game, clinching it 71-70.

Then when the Demons got back home, the McNeese Cowboys took revenge 64-54. The turning point was four charity shots by Frank Glenn and Jesse Perry, breaking a 44-44 deadlock 48-44 and give them a permanent lead.

Northwestern kept it's G.S.C. hopes alive when the Demons smashed S.L.I. 90-75 for her fifth conference win against one loss. After trailing by twelve points in the first half the Demons overcame a 51-47 half-time deficit, went ahead 60-58 on a jump shot by Elvin McCann, and from there on it was N.S.C. all the way.

The Demons took the lead midway the first half in their game with Northeast and went on to win 95-80.

At Hammond, the Demons ran over the Southeastern Lions 71-65 in a fairly close ball game.

The game that came "too close" was Southwestern at Lafayette. The Demons won 67-65 edging S.L.I. at the free-throw line. Each team made 23 field goals but N.S.C. made

21 of 28 charity shots while the Lafayette Bulldogs made 19 of 34.

Then came the biggest game of the season—the game with La. Tech, which was, in itsef, a picture of how the Demons had played all season. The Northwestern cagers went to Ruston and played their best game of the whole year. The Demons came from behind a 20 point Bulldog lead to drub Tech 72-66 in an overtime, and gain a share of the G.S.C. championship. Lanky Jimmy Adkins tied the score 64-64 with eleven seconds left in the regulation period, sinking two free throws. The horn ending the game sounded before further scoring was done. The Demons scored eight points in the overtime period against the Bulldogs two and won the game.

"They're 20 points ahead now, but . . ."

The Demons sported the best season records for the Conference in team offense, free throws and rebounds. They pumped in 721 points for a 72.1 per game average: they managed to sink 239 free throws for a .722 percentage and nabbed 357 rebounds for a 35.7 per game average. The overall season record was 20-7.

Leach and Crnkovic were named to the Louisiana Sports Writers Association's all-G.S.C. first team and received Little All-American Honorable mention. Wicker was named on the all-G.S.C. third team. Coach Huey Cranford was named L.S.W.A. "Coach of the Year."

This tells it's own story!

Walter "Cajun" Ledet, G.S.C. Track Coach of the Year

A capable and spirited group of Demons, a determined coach, self-confidence, the passion to win, and work, work, and more work are the main reasons why Northwestern has the champion track and field teams in the Gulf States Conference for the fifth year in a row.

Led by co-captains Charlie Hennigan and Rudy Landry, the Demon thinclads ran, jumped, and threw their way into the 1957 limelight, sweeping aside all conference foes. The only loss came from the highly rated East Texas State College team which managed to slither by N.S.C. on one-tenth of a point, 58-7/10 to 58-6/10.

The Purple and White aces now hold seven of the existing G.S.C. records: 440 yard dash, 880 yard dash, two-mile run, shot-put, broad jump, high jump, and the mile relay.

No G.S.C. records were broken, tied, or even closely approached in the Conference championship meet held at Ruston, because of the steady rain which fell during most of the arc-lit events. Despite the poor conditions, Walter Ledet, Track Coach of the Year, guided his cinder experts to ten first places, to rack up a team total of 109¼ points and take the title once again.

Childress tops the timbers to break school records

"The Four Horses" mile relay team of Hennigan, Smith, Hill and Jines

Outstanding showings were made by several of the squad members during the spring. M. B. Childress pulled a leg muscle but not before he had broken two of the oldest school records: the 15.0 high hurdles with a 14.9, and the 24.4 low hurdles record with a 23.8. At the S.A.A.U. meet in Baton Rouge, Charlie "The Horse" Hennigan ran the 440 yard dash in 47.2, taking second place behind the fastest 440 run in the U.S. last year—46.9.

Lou Liepens threw the javelin 198′ 4″ to break a ten year old school record and went on to win the G.S.C. with 202′11½″. The "Four Horses," our sensational mile relay team composed of Sonny Jines, Don Hill, Harold Smith and Charlie Hennigan, ran a 3:19.0 mile. Harold White jumped 6′6″ to come close to Ted Duggan's school record of 6′7¼″, and even closer to his G.S.C. record of 6′6-15 16″. Bert Heckel was the only plus 50′ shot putter with a throw of 50′1¼″, just a little short of the G.S.C. record of 51′3¾″. Steve Jordan ran a 9.8 century to get a little closer to Erskine Cook's record of 9.6 which was set in 1932.

Due to an early season outcrop of injuries the 440 and 880 relay teams were somewhat hampered.

Weight men Charlie Johnson, Dale Hoffpauir and Rudy Landry; pole vaulters Robert Farrar and Joe Stout; High jumper-vaulter Bobby Wicker, and broad jumpers Charlie Tolar and Don Bowden were all consistent point-getters for the Demons.

Good work, Boys! Can you make next year the sixth?

The best baseball team at Northwestern State College in seventeen years! Thats what baseball coach Alvin "Cracker" Brown coached out on Stroud field last season.

The Demon nine were co-champions of the Gulf States Conference, tieing with Southeastern Louisiana State College for top honors, in 1957. This is the first known time that N.S.C. has had a part of the G.S.C. championship in baseball in at least seventeen years. Records were not kept before that time, and it is uncertain as to what kind of standing the team had then.

Besides placing first in the conference, the Demons placed three men on the All-G.S.C. first team. Named were: pitcher Billy Roy Cook, who had a 10 won, 1 lost record; shortstop Billy Jack Booth, whose batting average was .309 after 110 trips to the batter's box; and Kemp "Flash" Gordon, who batted .342 after 79 times at bat.

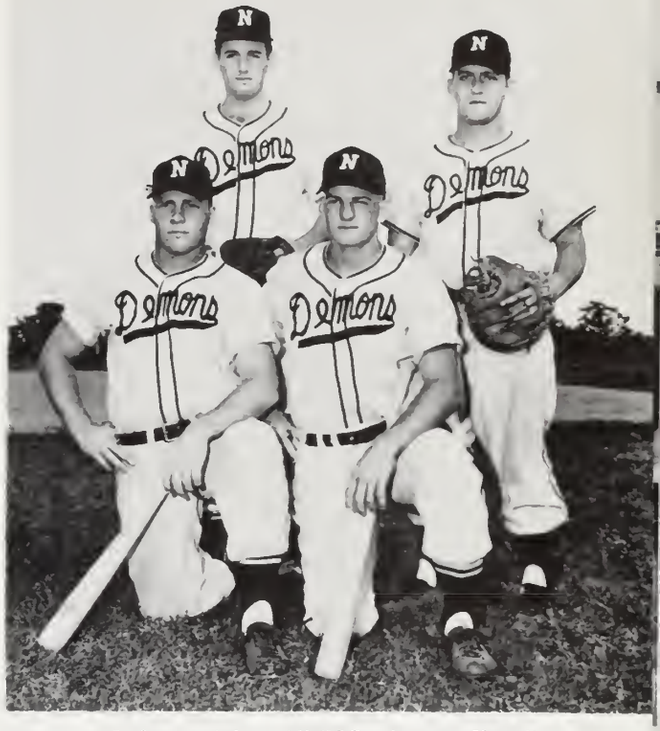

The team lost eight men from the 1956 team, but gained eight more in 1957. Playing 25 scheduled games, the Demons had an overall record of 15 won 10 lost for the season, and a 10-5 record for the conference contests.

Billy Joe Osborne, Larry Reeves, Morris Bruce, and Blake Sims were other hurlers who turned in good work. It was Osborne pitching when the Demons won their final game clinching the championship.

Seniors Dick Brown, James "Red" McNew, and Harry Fontenot, hitting .246, .270, and .311 were three big men with whom oppoents had plenty of trouble. Other big reasons for the same trouble, both behind the bat and behind the glove, were H. A. Butler, David Sosa and Jerry Cloutier. All three were in the top of the batting and fielding averages.

"We're all proud of the Demons, Coach Brown!"

The Northwestern State College swimming team finished this season with a 2-2 regular season record for competition. plus a second place position in the Southwestern A.A.U. meet.

The Demonfish swam over the Little Rock Boys club and the Shreveport Swim club in the first meet of the season. held in Shreveport. Back down at the Demon natatorium the local boys lost out first to Southern Methodist University, and then later to Texas A. & M.

The Demons redeemed themselves by out-swimming the University of Houston at Houston and followed-up by copping second place in the Southwestern A.A.U.

Outstanding performers for Northwestern were record holder Frank Pernique, team captain, and diver Botsy McClanahan. The team was hurt some by the early season loss of diver Benny Wise but still managed to make a good showing.

GYMNASTICS

Northwestern has a right to be proud of their champion gymnasts! The Gym team, under the direction of Coach John Piscopo, has gone undefeated in *all* meets for the last four years. Some meet records date back even further.

During the 1957 season the muscle-men brought the championships of the Gulf A.A.U., the Southern A.A.U., the Southwestern A.A.U, and the Mid-South Intercollegiate meets.

Hard to say who are the standouts because the team is evenly balanced in all sections of competition but those deserving special mention are co-captian Barry Johnson, high point man for the season: Sonny Martinez, who was undefeated in the rings, though he suffered a broken hand during the season: and sophomore Tyrrell Leach who has been undefeated in th rope climb during his two years of competition. Leach's best time for the 20 foot climb was 4.2 seconds which puts him among the top ten climbers in the nation.

TENNIS

The 1957 tennis team, hurt by the loss of four of their players; Willard Rachal, Delbert Vines, Bill Chamberlain, and Monk Calendar, caused Coach Jack Fisher to face a rebuilding job, having only two returning lettermen to build with, Wade Parsons, and Jerry May.

Led by Captain Wade Parsons, the Demon netters posted a 3-7 overall record, and a 3-5 Gulf States Conference record to give them fourth place in the GSC this season.

The play rewsereeerrrss

The players were positioned in the followng order: Wade Parsons #1, Boo Thompson #2, Jerry May #3, Jimmy Hill #4, and Jack Freeman #5, in singles. In doubles, Parsons and Thompson were #1, and May and Hill were #2.

Besides the regular schedule, the team put on an exhibition with Lamar Tech, of Beaumont, Texas, who were the N.A.I.A. tennis champs for 1956 and 1957. The Lamar Cardinals won 6-1.

Davis Players is the oldest dramatic organization on the campus. Founded in 1925 and named for a former Language Instructor, Miss Mary Davis, the club has grown to be recognized as instrumental in encouraging, developing, and rewarding dramatic talent. Membership is based upon work done on College Theatre productions and is not exclusive to Speech majors. Letters are awarded to members whose achievements double those required for admission to the club. There is also an award given to the "Best Actress," and "Best Actor" of the year. This award is named after our own director Dr. Edna West, and is called the "Edna."

THE SIGMA ALPHA IOTA SYMPHONY

To study and practice the goodness of life, the beauty of art, the meaning of music.

To sing the song of sincerity and universal peace.

To speak the words that build, that bless and comfort.

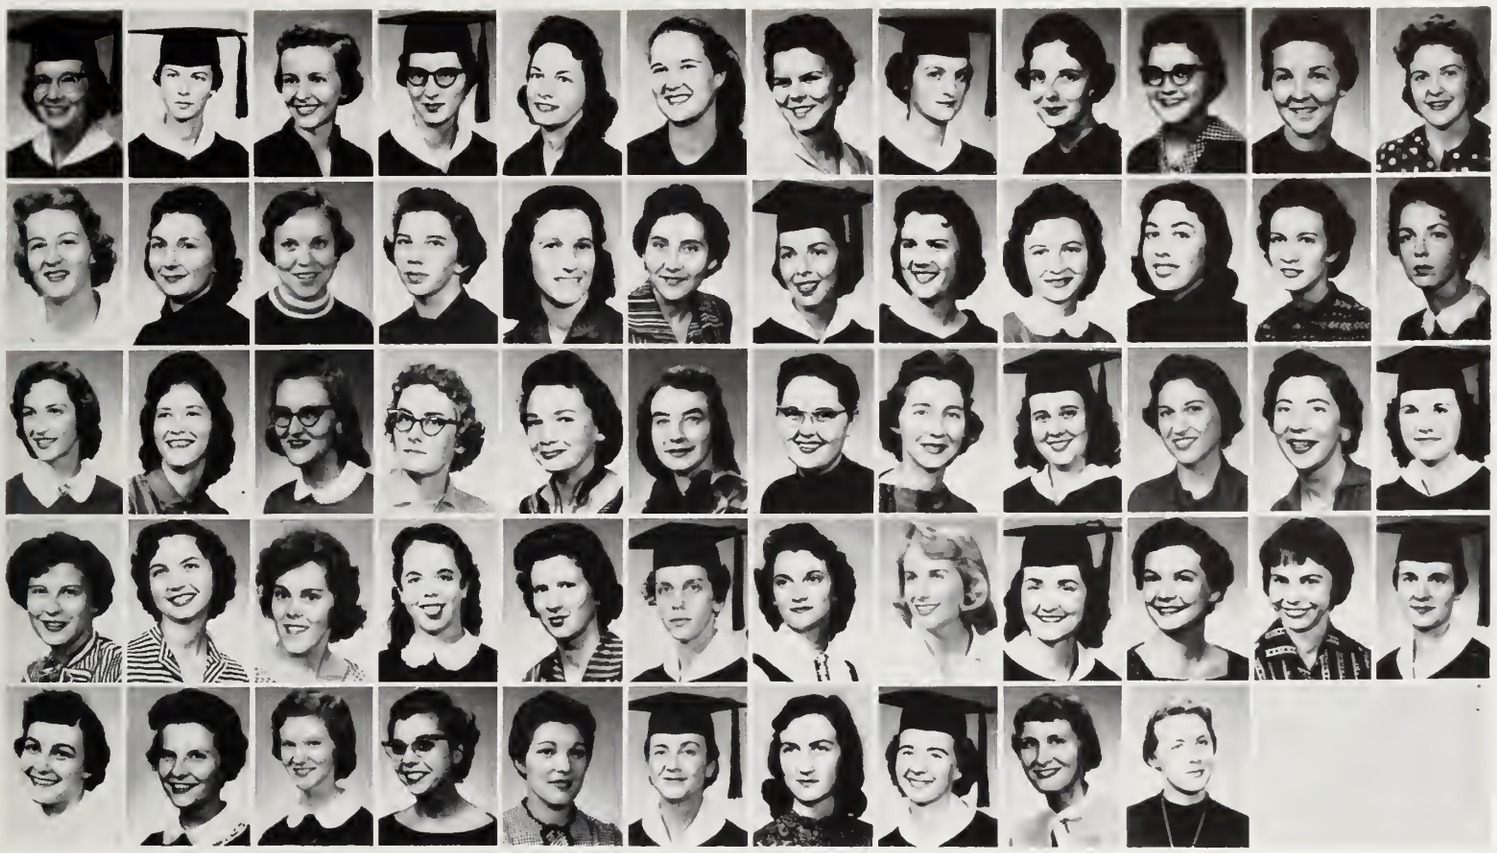

To play the harp strings of living kindness, tolerance, appreciation, and genuine gratitude.

To strive for the joy of simplicity for the noble; to be faithful over a few things.

To listen, to be still and know the harmony within.

To faulter never in seeking loving service, wisdom, and understanding.

In a word to be loyal to Sigma Alpha Iota and her teachings; to find joy, hope, inspirations; to remember that "Every good and perfect gift is from above" and "Whatsoever ye do, do it heartily as to the Lord, and not unto men."

The Political Science Society, organized on November 20, 1956, has as its primary purpose the circulation of pre-professional information for pre-law students, such as information concerning scholarships, curriculum, professional experience and qualifications. Guest speakers are invited to lead discussions on related topics.

The close connection between law and other fields of Government suggests that the interest of society is even broader than such pre-professional information indicates.

ACKNOWLEDGMENTS

In concluding our work on the 1958 POTPOURRI, we would like to pause a moment to express our sincere gratitude to the many people who help to make this publication possible.

You see only the finished product. But we recognize the many familiar people along the road to the completed book whose help has been invaluable.

First along the way we would like to thank Dr. Kyser for making our trip to Nashville more enjoyable and the planning of the Potpourri more successful.

Next we thank Dean Fulton and Dean Porter for the extra moment they always seem to have to listen to our tales of woe.

To Benson Printing Co. we express our gratitude for the printing for the POTPOURRI, and extend a special salute to Mr. Billy Benson and Mr. Dan Eadie for their personal help and interest.

To Mr. Pap Dean and Mr. Murphey and Mr. Jimmy Cobb of Shreveport Engraving Co., we extend our thanks for your many hours of hard work, and the individual help you gave us.

Next along the way we meet Mr. Elmore Morgan of Baton Rouge, who so graciously provided the pictures which appear on the division pages.

To B. J. Lyles, Red Hennigan and Curtis Guillet our sincere appreciation for providing the excellent photographic material in the book.

We would also like to recognize Rose Escott and Laverle Allen who provided the costumes for the POTPOURRI Court pictures.

We thank sincerely Mr. and Mrs. Bob Menansco, and Miss Rose Margaret Harton who did a splendid job in judging the 1958 beauties.

No POTPOURRI would ever be complete, without the help of Miss Loneta Graves and Mr. Graham Peavy who so capably handle our finances.

We express our appreciation to Mrs. Caroline Adams for the use of Varnado Hall and her help with the tea for the POTPOURRI Court.

Impossible indeed our task would have been without the constant help and encouragement of our own "Doc" Marx. The time he spent was endless, his advice invaluable, and his interest unquestionable.

All through our journey we meet the multitude of Northwestern Students, themselves the stars of our production, whose cooperation and support cannot be measured. To all of you, we say thank you.

We again express our heartfelt thanks to all of you.

Joan, John, Katye and Mary
